Filing Date: July 1, 2004  
Confirmation No.: 5552

Applicants received the "Notification of Defective Response" for this application on March 2, 2007 (mailing date of February 27, 2007). A ONE MONTH time limit was set in the Notification for response.

The Notification requires correction of the content of the computer readable form of the sequence listing, "as indicated on the attached copy of the marked-up 'Raw Sequence Listing'". No such copy of the Raw Sequence Listing was mailed with the Notification.

Applicant's attorney has made repeated telephone calls and twice been promised that the Raw Sequence Listing would be immediately faxed. To date, no copy of the Raw Sequence Listing has been received. The non-extendible Response date is March 27, 2007.

It is hereby requested that the marked-up "Raw Sequence Listing" be IMMEDIATELY forwarded to the above attorney of record. In the alternative, it is respectfully requested that consideration be given for lengthening the period for reply to this 2/27/07 Notification.
